FOREWORD

Beloved reader. It is great that large evangelization meetings are held in big stadiums and halls. But wouldn't it be even greater if the majority of the attendees at these meetings would be non Christians? It is a fact that most of the people who are non Christian would not answer to the invitation of a church. Those who think they will be bound to be deceived. In order to reach the majority of the people who are not church goers with the gospel, we need to do more than spread invitations and conduct conversations according to our own judgements.

In the book **Explosive Evangelism Network©** Dr. Sieberen Voordewind launches a wonderful method to reach each and every person. This method is very simple and is meant for anyone who wants to propagate the Gospel. A practical book which you will read and re-read.

Evangelist Dr. Sieberen Voordewind

(Doctor of Philosophy –Ph.D.- in Theology)

I wish you Gods rich and indispensable blessing while reading and applying this wonderful book!

Chapter 1

THE BIG ASSIGNMENT AND YOU

In the Bible we read, that Nehemiah said: “*I am doing a great work*” (Nehemiah 6:3). Like brother Nehemiah was doing great work for the living God, by the grace of God we can serve Him also. The most important work that we are allowed to do for Him is evangelism! “*Like wise, I say unto you, there is joy in the presence of the angels of God over one sinner that repeneth.*” (Luke 15:10). The angels of God do not get as excited about the establishment of a big company, a foundation or something as such, as much as when one sinner gives his life to JESUS. That is why it is so important to act according to the assignment of God! What was that last assignment? The Bible says: “*And He said to them, Go ye into the world, and preach the Gospel to every creature*” (Mark 16:15, and so forth). He also said: “*And this Gospel of the kingdom be preached in all the world for a witness unto all nations*” (Matthew 24:14). Jesus Christ the Son of the living God gives the assignment to spread the Gospel to each one on this earth! But.... who is the assignment given to? Read very carefully: to the believers, Christians. This assignment is meant for you, a Christian! Therefore we are going to do something unique. Something practical. Take a good writing pencil or a pen that

doesn't leak. This is your personal book, so you can write in it. What is it that we are about to do? I will give you a biblical text and you will fill in your complete name on the line within the brackets, Okay? Jesus says to you: "*But Ye () shall receive power, when the Holy Ghost is come upon you and Ye () shall be My witnesses*" (Acts 1:8). Why fill in your name? Because this biblical text is meant for you too! Do you consider yourself a believer? Than this Biblical text is for you! Do you call yourself a Christian? Than this Biblical text is for you! Are you also filled with the Holy Ghost? Than this text is for you! It says: "*Ye*" (that means you) *shall* (not may be or perhaps) *be my witness*" (that is an assignment). This is not a bad assignment! It is a great assignment! It is wonderful! It is fantastic! It is super cool! Why? Because it is a true privilege to spread the Gospel. It is great to be a witness. It is wonderful to spread the Gospel (Derived from the Greek language meaning: Good news). The Gospel of Jesus Christ is the best of the best that you can spread. It is even better than telling someone the good news that he has won a million dollars in the lottery! Say it out loud: "I am called to be a witness and I shall fulfil my assignment!"

Chapter 2

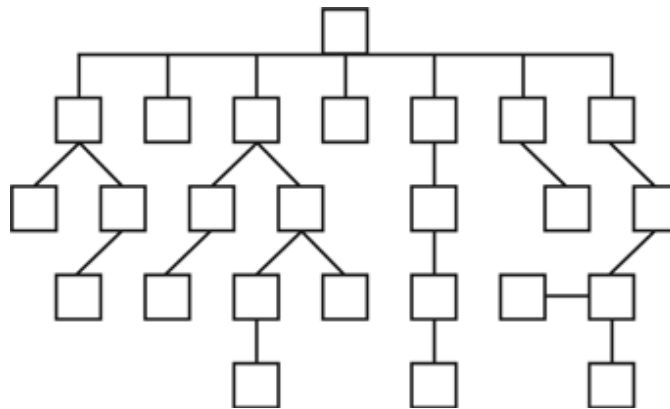

THE MOST SUCCESSFUL METHOD

The Bible says: “*And the Gospel of the kingdom shall be preached in all the world for a witness unto all nations; And then shall the end come*” Matthew 24:14. When shall the end come, when Jesus Christ returns to earth? When the Gospel is preached over all the earth! In the past I have introduced the name: *explosive evangelism* in the Netherlands. Is explosive evangelism possible? If I didn't have a Bible I would not be able to write this book for you. But praise God that I have a Bible. While I was thinking about this subject one day I got a word in my mind and thought: “That's it!” Do you want to know what word it was? God gave me the words: **Explosive Evangelism Network**©. The word “Network” is not a new word, we run into this word frequently but not in the context of evangelism. The words “Network Evangelism”© are not found in the Bible, but we can read the meaning of this there. I do not want to make a study of this, but want to observe the fact that the church knows many doctrines where the name of that doctrine does not exist in the Bible but the meaning does. Think about the words: Study of the Holy trinity. And thus I believe that we are allowed an education about Explosive Evangelism Network, in

order to save the lost and build up the congregation.

JOHN FOUR EVANGELISM

Jesus Christ brought the Gospel to someone (John 4:7-26). This person brought the Gospel to someone else (verse 28-30). And that person told the Gospel to others, so that many people were reached in that city (verse 30, 39)!! This is Network Evangelism! We also read in the Bible:

2 TIMOTHY 2:2 NETWORK

“And what thy(1) heard of me (2) under false witnesses(3), trust that in the hand of trusted people(4) who are qualified to teach the others.”
This text talks about network evangelism also! (1) introduces the Gospel (2) While (3) also heard it from (1). And (2) introduces it on to (4). What you have (1) read from me, the writer of this book (2), together with many others who have read this book

(3) Tell this to other people (4) who are also qualified to teach this study to others. 2 Timothy 2:2 is the same as Explosive Evangelism Network.

THE EXPLOSIVE METHOD

Let me ask you this question: “Have you ever seen an explosion?” It begins from one point and ends in something very big. But...for an explosion you need a bomb. Imagine a beautiful round, black shiny bomb (too heavy to play soccer with) with a fuse. This fuse is not used to hang the bomb over the dining room table, but to be detonated. When the fuse is detonated the small fire will go to the bomb. Once arrived at the bomb the result will be an enormous explosion where all the particles fly everywhere. Explosive Evangelism Network also starts at 1 point: One Christian who is willing to obey God. In Acts 1 verse 8 and chapter 2 verse 3, I read that the Christians were as though detonated by the Holy Spirit, filled with power whereby tongues of fire came down upon each of them. What did that bring about? An enormous explosion. The Christians were moved for souls, particularly Peter who started to spread the Gospel, after which three thousand souls added themselves to the congregation (Acts 2:41) and they went on. Where this all leads, I have told you before. Within two years time they had spread the Gospel to every

human being in the whole of Asia (KJV) they went to all the houses; the remote residences, large and small towns, villages and cities. They didn't pass by any house. I repeat: They didn't pass by any house. Where do I read this? In the Bible, I read their secret in the Bible.

*“And they, continuing daily with one accord in the temple, and breaking bread **from house to house**, did eat their meat with gladness and singleness of heart” (Acts 2:46). “And daily in the temple, and in **every house**, they ceased not to teach and preach Jesus Christ” (Acts 5:42). “And how kept back nothing that was profitable unto you, but have shewed you, and have taught you publicley, and **from house to house**” (Acts 20:20).*

I read in these Bible texts about mass evangelism and above all personal evangelism (house to house)!! Through this method every person is reached! In our days a lot of attention is paid to mass evangelism, which is very good but... aside from that, we must do what the first Christians did, if we want to win the whole world for Jesus, if we want to have brought the gospel to the uttermost ends of the earth. When will Christ Jesus come back to gather His Bride congregation? When the Gospel is told to all (Mark 13:10). And so we still have a lot to do.

Where did the first Christians get their example? From their master Jesus Christ. In John chapter four we read that great example! Jesus Christ brought

the Gospel to a Samaritan woman (John 4:1-42). And what did she do? She brought the Gospel to others. What a method! Therefore the name: Explosive Evangelism Network!

THE METHOD

If you understand the assignment of Christ, and have taken this to heart, than there is only one thing to do: Action! Action! You need to participate in evangelism. How? Through the unique system: Explosive Evangelism Network! The Method is as follows: You spread to gospel / testify to for example 1 person a day. In 7 days you will have reached 7 people with the good news. If you do this for one month you will have testified to 4 times 7 = 28 people. If out of these 28 people even one repents, then after 5 months you have brought 5 people to repentance. That isn't hard to grasp is it? But now... let talk about networking, if these repented people are also doing what the Bible is telling them to do and what you are doing (after they have read this book and their ministry is activated) than the result after 5 months: 32 people repented. The Network is: People doing the same as you. What are they doing? They are also going to spread the Gospel, and those repented will spread the gospel as well, and so on and so forth. Do you understand? You are building a network of evangelism! The people who are saved are, just like you, saved to be saving!

EXPLOSIVE

The Bible says: “ *And daily in the temple, and in every house, they ceased not to teach and preach Jesus Christ*” (Acts 5:42).

The written method will work explosively if you follow these instructions! If you testify to for example 10 people a day, of which 1 repents, than in 5 days you will receive the same result as you would in 5 months: In one week 32 people will have repented. If every Christian would do this like the first Christians did, than the result would be very explosive. Therefore, dear reader: stimulate other Christians to participate in the **Explosive Evangelism Network**.

SOURCES AND / METHODS

The Bible says: “*And Jesus said unto them, Come ye after me, and I will make you to become fishers of men.*”(Mark 1:17). Here evangelism is compared to catching fish. An evangelist once said: “ *Not every fish can be caught with the same bate.*” The fishermen among you know that. It is the same with evangelism (and the Explosive Evangelism Network). Not everyone can be won over in the same way for Jesus. You need methods for that. There are methods for Mass evangelism and for personal evangelism. Which method can you use for **Explosive Evangelism Network**?

I shall name a few.

→ Two Person (you and someone else). House to house with a tract or flyer. Don't just throw this in the mailbox, but ring the doorbell and give it to the one who opens the door. You can start the conversation by saying: "Good afternoon. We are from... and would like to offer you this wonderful flyer for free..."

→ Invite someone to your home for a cup of coffee / tea and talk about the Gospel.

→ Two persons with a survey. You and someone else will take this survey house to house or use this survey on the street and speak to the people about it. This is an excellent method. My experience is that before you even know it you are having a conversation. Make sure it doesn't become a discussion. You always have to face the people again another time. With this method, you are learning how people in your neighbourhood think, and how you can play into this with other activities at a later date. Through a survey on the street I once came in contact with someone who was completely down and out. At first he didn't want to know about Jesus and ran, but a short time later he grabbed me and begged for help. God did a miracle for him, by saving his soul when he kneeled down crying by an old wooden chair and gave his life to Jesus.

→ Through the internet you can reach people personally by chatting.

→ Lend someone at your work or that you meet on the street a tape or CD with a dynamic message about salvation and healing through Jesus Christ, with a prayer for the sick and sinners. Why lend it to them? So you can make an appointment to meet each other again to talk about what they have heard.

→ Invite someone to your home and show an evangelism video or DVD. I am constantly talking about inviting someone, lending someone materials or ringing someone's doorbell, you are working person to person. We are still talking about personal evangelism, which is the best method to reach everybody with the Gospel. **The most important thing is that you are lead by the Holy Spirit! He knows best how you can reach someone with the Gospel. It is even possible that you have a explosive word for someone who is sitting on a bench, walking on the street, waiting for the train or bus, is sitting in the train or subway or such.**

SAVED TO BE SAVING

I once read a gripping story in a newspaper. A father and a son had driven their car into the water. A bystander brought the father to the edge and saved him just in time. Now, what did the father do? The father who was saved swam back to save his son! He was saved to save. You are saved to save. That is network evangelism. God has given

you, a Christian, whoever you are, the assignment: “*Thou* (that means you as a Christian!!) *Shall* (not: maybe!!) *be Mine* (that is Jesus, the Son of the living God!!) *witness.*” He says to you: “*Pronounce the Gospel!!*” God has saved you through His Son Jesus Christ by having Him pay for your sins. What do you in return? You are saved to save! What do you do if you see your neighbourhood on fire? Can you picture it? All those houses in burning flames? What do you do when you have a big water tank at the back of your car? You extinguish! You save as many people as you can! What do you do, now that you know there are sinners in your neighbourhood that later on may burn in hell? Preach JESUS, The Savior! **Explosive Evangelism Network** starts with you! With you as a Christian. To be a Christian means: Being like Christ. What did He do? Read your Bible! He was looking for the lost! He was looking! He went out! He didn’t stay seated! He went! (Acts 10:38).

“And He said unto them, Go ye into all the world, and preach the Gospel to every creature. He that believeth and is baptized shall be saved.”
Mark 16:15, 16

Chapter 3

FUNCTION OF EXPLOSIVE EVANGELISM NETWORK

HOW TO START?

The Explosive Evangelism Network offers several possibilities to start.

A) **PERSONAL** You can start with yourself

B) **INTERDENOMINATIONAL** You can start with yourself, and offer Christians from all different churches the possibility to participate in Explosive Evangelism Network for the purpose of building up the congregation.

C) **WORKING WITHIN A CONGREGATION** Talk this over with your minister, Pastor, reverent, elder or another supervisor.

HOW TO BUILD UP A NETWORK

A) Study this book well.

B) Offer the recently repented Christian the possibility to participate with Explosive Evangelism Network, because he / she is also saved to save but..... never force someone!

C) Offer other Christians the possibility to participate in Explosive Evangelism Network.

D) Give the people who are named under B) teachings about Explosive Evangelism Network. At the end of this study they can decide to join you, but this is also possible on any other day.

E) Stimulate the people that have joined you to also spread the Gospel and to invite other people to join! Note: Do not evangelize to get people to join, but do it for Jesus Christ! The number 1 priority is always the salvation of a lost soul, number 2 is that this person is also going to evangelize (Explosive Evangelism Network).

HOW TO SUPPORT A NETWORK

A) Make note of the people who have joined the Explosive Evangelism Network.

B) Make note of the network on paper! How far?

1) horizontal: Everything!

2) depth: Anything you can handle.

C) Take the recently repented, whether they have joined you or not (some people need more time!!) with you to your congregation. This person needs after care there, taking Bible courses and hearing God's message.

D) Make time for prayer and / or fasting

E) Make time to study about evangelism

HOW DOES EXPLOSIVE EVANGELISM NETWORK FUNCTION?

A) It only works for those who have studied this book carefully and act according to this book.

B) It works only if you are a Christian. You first have to be saved by Jesus Christ if you want to save another (Acts 4:12).

C) It only works for those who have a positive attitude.

D) It works best if you are filled with the Holy Spirit (Luke 24:49 / Acts 1:8 / Acts 4:33 / Acts 2:1-13 / Acts 2:14-40).

E) It works best if you have put on God's armour (Ephesians 6:10-20).

F) It works because the first Christian congregation lived by the same principals as you learned in the Explosive Evangelism Network.

G) It works best if you are always working in accordance with the Bible and stay loyal to the Bible in your walk and actions.

H) It works best if you act according to what you read in this book.

EXPLOSIVE EVANGELISM NETWORK WORKS FOR THOSE WHO ARE BUSY WITH STUDY AND PRACTISE

Someone who participates in the Explosive Evangelism Network takes part in a theoretic and practical 'study', on a voluntary basis. Isaiah One can never practise something that isn't taught. Therefore it is very important to read the book **Explosive Evangelism Network** by Doctor Sieberen Voordewind (Ph.D.-Th.) very carefully. It speaks for itself that the Bible is more important than this book and therefore is a must to read.

Chapter 4

EVANGELISING FROM WITHIN A CHURCH COMMUNITY

Wouldn't it be great if the Explosive Evangelism Network could be applied through a local fellowship? This is why I would like to advise everyone who goes to a local church / prayer meeting to recommend this book to the spiritual leaders. Explosive Evangelism Network is possible from any local fellowship in the following way:

A) In the first place a manager / leader has to be appointed. This could be the pastor / Minister but it could also be an elder or another qualified person. The manager who has bought this book will study this very carefully. After that he / she invites every fellowship- member for a special meeting under the name: "Explosive Evangelism" In this meeting he / she teaches about the Explosive Evangelism Network. The fellowship- members, who want to volunteer, will buy the book: Explosive Evangelism Network and fill in the application form. They then join the manager.

B) The manager holds one meeting per month about Explosive Evangelism Network. " Now, you may say" Wouldn't that be repetitious? " Yes, it would be. But I have learned from a journalist: "Repetition is the strength of the commercial!" Because of repetition, people memorize the spoken

word better. Because of repetition people stay in the system. Because of repetition people stay active. For who are these meetings? For the fellowship members who have joined but also for people who they bring with them. These can be new reborn Christians, or others who are interested. If people who have been taken to these meetings also would like to participate, than they would not join the manager but the member that took him / her to the meeting. Which people join the manager aside from the fellowship members”? People that have converted through evangelism that has been taught from within the fellowship. I am referring for example to church services, prayer meetings / campaigns / movie evenings, etcetera. The manager does however have the right to allow someone who has been converted through an evangelism action the possibility to join a fellowship member and not him / her self. The reason for this could be that otherwise the manager takes on too much work.

C) The manager ensures care of every new born Christian, no matter which member he / she has joined and ensures that he / she gets biblically loyal Bible studies.

D) The fellowship member who has participated in the Explosive Evangelism Network does the following: *Study the book Explosive Evangelism Network very carefully!*

Teach about Explosive evangelism at home to:

1) People who haverepentend and

2) to other interested Christians.

Teach biblically faithful lessons about the principles to the newborn Christians. The principles for the spiritual / evangelist are: repenting, baptism in water, spiritual baptism, faith but also the subject of evangelism.

E) The manager helps and supports everybody who participates in the Explosive Evangelism Network in his fellowship. That covers the following:

Fellowship members, who have joined, participate but don't feel comfortable to teach lessons to those who have joined them.

The Manager itself, will then teach several lessons at that persons home.

The manager will encourage this member of the fellowship. If a fellowship member is able to invite others to join but feels incapable of teaching lessons (This is an urgent case) then the manager can appoint someone else to give the lessons.

The manager holds one big meeting a month about the subject evangelism, in which he encourages and stimulates everybody to continue. He will give Bible lessons for encouragement. He could ask people that are successful in Explosive Evangelism Network to testify in such a meeting and explain how they became so successful. If there is a conflict between two or more persons, the manager will talk to both parties, examine what the cause of this conflict is and resolve it. At this point he has the following sources to help him: 1) JESUS! 2) Prayer

3) the Bible 4) The lesson book: Explosive Evangelism Network.

WHAT TO DO WHEN YOUR FELLOWSHIP DOESN'T WANT TO EVANGELISE?

Suppose that you went to your minister / pastor / leader. You showed him this book, and he doesn't think he needs the fellowship / congregation to evangelise. What do you have to do then? Before I give an answer to that question, I will give you several reasons why many fellowships or congregations don't want to evangelise. We already have a big fellowship. There is no room for more people, it would become too complex. We have sufficient people. We already do mass evangelising. That is good enough for us. We are already very active. We are too busy for that: Work during the day, television in the evening or social visits, Wednesday praying meeting, and Sunday church service. When do we have spare time? We are focusing on an ill member in our fellowship. Yes, if 1 member suffers we all suffer with that member. We stop all of our activities, until the ill member is recovered. We are not that holy. First the congregation has to be disciplined before we can evangelise. We are too lazy to bring the Gospel. We don't have the sources to evangelise. We don't know how to evangelise. We don't have the confidence to evangelise. We have our own methods.

These are opinions of people. But these opinions of people are no concern of ours, only the opinion of God is of our concern! We have to obey God above all! And where there is a will there is a way. Whoever wants to evangelise doesn't focus on the doors that are closed but rather on the doors that are open!

WHAT YOU CAN DO!

A) Pray to God that he opens the eyes of your minister/ pastor.

B) Talk to him about it.

C) If you have truly worked hard but nothing has helped then know this: Hebrews 13-17 says "that you should obey your minister but does it mean that you can't evangelise? No! Because the Bible tells us that we (that is you too) should obey God (that is an order) above people" Acts 5:29) also read Matthew 9:37, 38 and Ezekiel 33:7-9!!

D) Find at least one person who wants to work with you. Sell him this book and let him join you.

E) Together do as you have read in this book. You are the Manager, but stay a soul winner too!

F) Don't cause a rift in your fellowship or congregation, but continue to work toward the fellowship! Aftercare, Bible studies and meetings toward your fellowship and not to you!!!

Chapter 5

HOW YOU CAN BE SUCCESSFUL AND PROSPER

Success / prosperity is not something that comes to one on its own. Something must be done to gain that. To start there are four fundamental success rules laid out in Explosive Evangelism Network. If I say 4 than we know the numbers 3, 2 and 1 come before four. If you should ask someone to count for you, they would start 1,2,3,4,5 etc. but not 5,4,3,2,1, this is illogical. It is usual that a child will first go to elementary school. Once the child enters elementary school the child starts in grade 1 and later continues to grade 2, 3, 4,5,6,7, 8 and so on. It's the same way with someone who is active with Explosive Evangelism Network. You have to start somewhere. Where does one start when you want to participate?? Where do you need to start to have success in evangelism? At the beginning! You say: "That's logical!" Yes, it Isaiah There are 4 rules for success. It is logical and naturally expected that you start with success rule number 1, than go to 2, than 3 and then 4.

Success rule 1: Prayer

If you start to work in a company, than you first talk with your employer before you start to work. Before you want to evangelise you first talk to your

heavenly employer! Why? Because you are an employee of the highest **God!** (Matthew 4:19 / Acts 18:9, 10 / Acts 1:8 / Isaiah 51:16 / Matthew 5:16 / 1Corinthians 15:58). Always **pray** a prayer which is to seek God's Holy will (1st John 5:14). **Pray** inside your room (Matthew 6:5, 6 / Luke 5:16). **Pray** to the Father in Jesus' Name John 16:23, 24). **Pray** in faith (Matthew 9:13 / Hebrews 11:6).

As the engine gives the power and motivation for a car to move, so is a prayer the engine of the Explosive Evangelism Network! If there is anything wrong with the engine of the car, it could stop at any given moment. A Christian that has no prayer life will get stuck somewhere in his or her journey of life! Prayer is the engine of Explosive Evangelism Network! Spend time in prayer! Do it daily! Do it faithfully! Speak to your heavenly employer daily! He is your employer! He gives you strength! He gives you courage! He sets you free of fear! He is with you! **Connection with the Living God, Jesus Christ and the Holy Ghost is number 1 !!!!**

What are you praying for?

- #Your un-repented neighbours, acquaintances, relatives, friends, colleagues
- # Un-Repented in your street
- # Un- Repented in your neighbourhood
- # Un-repented in your city / town
- # Un-repented in your province

- # Un-repentd in your country
- # Un-repentd in you neighbouring countries
- # Un repentd in the entire world
- # For all mission organisations which truly serve God
- # For missionaries and evangelists
- # Other soul winners in your area
- # For people who are reading the book Explosive Evangelism Network.
Where possible make a prayer list. You could take an exercise book as a “Prayer book”. Put the names or subjects underneath each other following the reason why you are praying for them.
- # Pray for them in the full confidence that God is hearing your prayer
- # Pray for yourself!!
- # Pray that you won’t come into temptation (Mark 14:38)
- # Pray for the power and anointing of the Holy Spirit (Luke 11:13) Know that you are not able to bring the Gospel on your own merit. You can’t convince people! You testify and the Holy Spirit will convince them.

Pray and fast!

The Bible says: “*Howbeit this kind goeth not out but by prayer and fasting*” (Matthew 17:21). Read also: Acts 1:12-14; 2:1-4 / Acts 13:2, 3 / Acts 14:23. Jesus Said: “ *And all things whatsoever ye*

shall ask in prayer, believing ye shall receive”
(Matthew 21:22).

Success rule 2: Study

If you want to repair a car, you would need an education before you can take your toolbox out. You could perhaps teach someone else geography or such after you have studied the subject yourself first. The disciples were sent out by the Lord Jesus Christ after they had experienced and heard several things. You can go and evangelise after you know what you are about to do and how you are to do it. Isaiah How do you receive knowledge about Explosive Evangelism Network? By studying the Book: Explosive Evangelism Network and the Bible! How shall you be a qualified soul winner? By studying the Bible and the book: Explosive Evangelism Network! According to the Bible you need knowledge and study. If God wants this from you, than act according to his will.

Success rule 3: Material

It's unnecessary to say that you need materials in order to bring the Gospel. If you don't use the materials you need, than you are like a mechanic without his tools! a car without tires, etcetera. Which materials can you use? All materials! Which materials are you allowed to use? All materials! Which materials are you going to use? All materials! What kind of materials are these?

1) Your mouth (Luke 9:60 / Matthew 15:18 / Luke 6:45 / Luke 21:15 / Romans 10:9, 10).

2) Your attitude / walk of life (Timothy 4:12/ 1Peter 1:15/1 Peter 2:12/Ephesians 5:8/1John 2:6).

IF POSSIBLE: 3) Tapes or Cd's with a short message, inspired by Gods spirit, start with at least 2 tapes.

IF POSSIBLE: 4) Different tracts.

IF POSSIBLE: 5) A few survey forms.

IF POSSIBLE: 6) A few magazines / flyers.

7) At least 5 copies of Explosive Evangelism Network (by Dr. S Voordewind) for example to give someone as a gift or for selling!

Success rule 4: Action

I haven't read anywhere in the Bible that we are to sit and wait, until all people are saved. But I do read that we are to take action / go and act! It is time for action! It is faith and action.

“But ye shall receive power, after that the Holy Ghost is come uponyou: and ye shall be witnesses unto me both in Jerusalem and in allJudea, and in Samaria, and unto the uttermost part of the earth.”

Acts 1:8

Chapter 6

COLLECTING DIAMONDS

A Diamond (Hebrew: Jahalom) is probably the most desirable, meaningful, and most precious stone. Depending on quality and colour a diamond can be very expensive. But what is the origin of this beauty? We find it's origin in the very core of the earth. Under high pressure and under very high temperatures, from black worthless carbon, a wonderfully precious stone is formed. A diamond is crystallised carbon. Let us use this as an illustration, as the Bible often uses examples from daily life to illustrate and make its message clearer to us. A Sinner is someone who's inner core is black of sin. He has hidden in the deepest of depths in separation from God. His road leads to death. (Romans 6:23/ 5:12 /8:6/ James 1:15/ Revelation 20:14; 21:15). A sinner is someone who doesn't accept the Lord Jesus Christ as his saviour and redeemer and hasn't been cleansed of sins by the precious blood of Jesus (Acts 4:12 / Romans 8:1-17 / 6:23 / 10:9, 10, 13 / 1st Corinthians 6:10, 11 / Ephesians 1:7 / 2:1-10 / John 1:5-22). A Sinner can be compared to someone who is about to drown in the big waves of the sea. What does the soul winner bring? What does the soul winner do? He comes in like a lifeboat and throws in a life buoy. The only thing the sinner needs to do is grab the life buoy!

The soul winner brings people who are about to be lost, the true Gospel (Galatians 1:7, 8, 9); the only salvation is through Jesus Christ (Acts 4:12).

“Tell them that as surely as I am the living Lord God, I don’t like to see wicked people die. I enjoy seeing them turn from their sins and live. So if the Israelites want to live, they must stop sinning and turn back to me.”(Ezekiel 33:11)

What happens with a sinner who repents? The sinner, as filthy and dirty as he is, will be cleansed by the Blood of Jesus Christ, so that he will be whiter than snow and is pulled out of the deepest of depths! Romans 5:1-11 / Revelation 1:5 / Psalm 51:9 / Isaiah 1:18.

Just like the diamond, something very beautiful is made out of the sinner (Revelation 5:10 / 1 Peter 2:9 / 2 Peter 1:4 / 1 Peter 2:4 / Colossians 3:10 / Romans 8:29 / Romans 5:5, 6).

I Repeat. In this forlorn world live lots of people who are lost in sin and guilt. People living in the deepest of depths separated from God. From the exterior they look clean and noble but on the interior they’re full of impurity. The soul winner brings good news to those people! Good news of hope for the helpless; Salvation for the lost and healing for the sick and wounded. The person who repents to Jesus becomes clean and holy, washed by the Blood of Jesus Christ! The sinner is the dirty, black carbon, which through Jesus Christ becomes more beautiful than a diamond! When I

talk about collecting diamonds, I mean collecting sinners so they can repent to Jesus. That would make you a spiritual collector of diamonds. Isn't that great!

“But rise, and stand upon thy feet: for I have appeared unto thee for this purpose, to make thee a minister and a witness both of these things which thou hast seen, and of those things in the which I will appear unto thee, Delivering thee from the people, and from the gentiles, unto whom now I send thee, To open their eyes and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me.”

Acts 26:16-18

Chapter 7

PROGRAM OF EDUCATION TARGET GROUP

Who teaches you about Explosive Evangelism Network? The interested! Who are interested? People who are interested to evangelise People who are interested in evangelism. People who are interested in growing their fellowship/ church / congregation.

Obviously, it would make absolute sense to teach about evangelism and Explosive Evangelism Network with only the best materials possible. A gardener is not able to work without a spade or rake. A soldier is not able to work without his gun. You can use at least one copy of the book Explosive Evangelism Network written by Dr. S. Voordewind. With inevitably the most crucial book: **T h e B i b l e!**

PREPARATION

Prepare your lesson carefully

- Education time: 30 minutes
- # word of welcome
- # prayer

education
question period
time of prayer

BE CREATIVE

I will give you some direction about what you will be speaking about, but be creative. What I Mean by that: elaborate on the guideline / direction that I give you, but don't go overboard! People can always buy the book: "Explosive Evangelism Network" afterwards.

WHAT CAN YOU TALK ABOUT:

THE BIG ASSIGNMENT

Read from the Bible. It is Jesus Christ, the Son of the living God, who has already given the assignment to be a witness unto Him and spread the Gospel! He could have send angels to spread the gospel to the world. But he didn't! He gave the assignment to the people. The believers. The assignment has been given.

SPREAD WHICH GOSPEL?

In this world we see many teachings, dogmas and opinions of people. God wants us to spread the Gospel of His Son and nothing else! No church, no cult, no teachings of people. A human on a sinking ship needs Jesus. A person who threatens to be lost needs only one person: The Lord Jesus!

METHODS OF TODAY

Ask any person present, which methods are familiar and write them down on the blackboard. Think about movie, brochures, coffee bar, books, preaching, street action, tent campaigns, tapes, tracts, concerts, flyers, radio, television, internet, video tapes, youth meetings, campaigns and stickers.

RESULT

Do not talk about the numbers which are attached to the amount of people reached through each method. They can read all about these in the book: Explosive Evangelism Network. Do refer to this book. Despite all modern methods not everyone has been reached with the Gospel yet.

THE MOST SUCCESSFUL METHOD

You can arrange meetings, but you only reach those who come! The Lord Jesus went searching for the lost souls He looked for them and visited them! The method with which we are working is **Explosive Evangelism Network**©. The most successful method in history! The examples and proof are with the first Christians, particularly the apostles. Read John 4 and Acts 20 together.

ACTION

Explosive Evangelism Network only helps if you go and work with it seriously. The 4 most

important points are: prayer, study, evangelism package and action! Action means doing everything that God tells us to do, what the first Christians did and what you read in the wonderful lesson book: Explosive Evangelism Network of Dr S. Voordewind. You are not alone!!!

You have great support from:

- 1) God and His word: the Bible and
- 2) the lesson book: Explosive Evangelism Network, which is biblically correct!

This all under leadership of the Holy Spirit!!! (Acts 10:38 / Acts 11:15 / Acts 6:3, 4 / Acts 4:8, 31).

ANOUNCEMENT

Never forget one thing: With Jesus you can do this! You can do it! It is possible, that people coming to your meeting are familiar with similar systems / methods. There may even be people who work under one of the names as mentioned in this book. Or perhaps you will run into people that are already working with certain methods. Don't let this discourage you!! I know that when I was busy with this method and started writing about it, no one else was busy with it or writing about it! I know that I have not copied "Explosive Evangelism Network" from anyone else. When I started this, I had not read anything about it anywhere else. In the 80's I laid down the basics of this study and asked the late world evangelist Johan Maasbach to read it. After that many pastors have read this work and all were

positive about it. Now I am absolutely not going to argue about who came first with this method, and you shouldn't either. Just continue in the power of the Holy Spirit, it is after all the Holy Spirit who shall teach you. The Holy Spirit will put the right words into your mouth and tell you which is the best way for you to evangelise is! I have merely given you a bit of direction to start with. Yes there are many Christians who would like to evangelise, but don't know how, where and when, this book is just right for them as well.

**“The Spirit of the Lord GOD is upon me;
because the LORD hath anointed me
to preach good tidings
unto the meek;
he hath sent me to
bind up the broken hearted,
to proclaim liberty to the captives,
and the opening of the
prison to them that are bound;”
Isaiah 61:1**

Chapter 8

SETTING A GOAL

The Bible says: *“The Lord hath made all things for Himself yea, even the wicked for the day of evil.”* (Proverbs 16:4) Read this very carefully! God hasn't done or created anything without a purpose! God does not work aimlessly. The Bible says: *“I press toward the mark for the prize of the high calling of God in Christ Jesus”* (Philippians 3:14). A true Christian does like the Bible says! A Christian wants to please God and hunts and strives to do what is Gods sacred will. Do not sit still. Do not wait. But aim for your goal. One of the highest goals is: Receive of the crown of life (Revelation 2:10).

If you are travelling by train, you're doing that with a goal in mind! You want to go somewhere. If you go to work, you do that with a goal in mind. If you are going to evangelise then you do that with a goal in mind! If you start with Explosive Evangelism Network you are doing it with a goal in mind. If you don't and you start aimlessly, nothing good will come from you! Nothing! If you have at least one goal in mind than you will work as hard as you can to reach that goal, despite bad luck. Have you ever been at a bus stop, waiting for the bus? The first few seconds of you standing there are okay but if that bus isn't there after two minutes, you start to

stress a little, you're not that relaxed anymore. When you have to wait, it seems the time is long. You have the feeling that you have been waiting a half an hour, but when you look at your watch, it has really only been 5 minutes. I know there is one thing you will not do: leave. You will stay there and keep watching for the bus. Why? Because you have a goal, you must catch the bus to reach your goal. If the bus is delayed, you still keep waiting for it. You have to go with that bus. When after 15 minutes the bus finally arrives, you get on it to reach your goal. If you start the Explosive Evangelism Network with evangelising, it is possible to have some disappointments. There will be many devout people that do little themselves but who will approach you and will advise you to stop, because of several different reasons. But..... if you have a goal you continue! you do not stop! Why not? Because you are doing what God told you to do. Expect criticism for that reason, expect resistance, expect, but do not give into it. Think of the goal with which you start: salvation of the lost!

Chapter 9

WHY EXPLOSIVE EVANGELISM NETWORK?

It is unnecessary to say that there are many ways to bring / spread the Gospel. Why then would one choose for Explosive Evangelism Network? IS IT A STRATEGIC SELLING SYSTEM? No doubt about it that there are a few people who are saying or thinking: “Explosive Evangelism Network is abusing the Gospel and this is a strategic selling system for the book Explosive evangelism”.

Let me tell you this: **“Explosive Evangelism Network is a strategic method for reaching every person on this earth with the gospel! Not for a church, but for Jesus Christ!”** If anyone wants to know the system or method, than he or she must read the book: Explosive Evangelism Network. Knowledge is received through study. If anyone wants to join this mighty system than this is possible by filling in the application form at the back of this lesson book. If you want to recommend this book to anyone then don't think about how much this will cost, but think of the person who buys this book. In personal purchase, the person is paramount! Then why isn't this book free of charge? Because the one who gets it for free will not appreciate it as much as the one

who buys it. **The message is free, but the paper on which it is written costs money unfortunately.** If you feel deeply blessed by reading this book, then you should also want someone else to feel that same blessing too. That is why you would recommend this book to someone else. So: **Explosive Evangelism Network is a strategic way to spread the Gospel! Explosive Evangelism Network IS THE MOST UNIQUE INVENTION FOR PERSONAL EVANGELISING.**

Not everyone can or wants to go to Bible school. Not everyone! But every Christian can participate with Explosive Evangelism Network! Whether you are white or black, big or small, tall or short, educated or not, to God it makes no difference! He wants you to be a soul winner! Everyone can learn to be a qualified soul winner. Every Christian can learn that in Explosive Evangelism Network. If you participate, you are stepping into a world in which many possibilities are there for you to spread the Gospel. Why is this a unique world? Why is Explosive Evangelism Network so unique?

A) Because it gives every Christian the possibility to work for God.

B) Because the method is unique.

C) It makes every Christian responsible in his or her neighbourhood.

D) Every Christian gets the possibility to grow.

E) Because it can lead to an explosive growth of fellowship!

In Explosive Evangelism Network NO ONE STANDS ALONE.

Often it happens that there are Christians who want to evangelise but don't know how to because they can't find support from others. In Explosive Evangelism Network you learn how to cooperate.

- You always have this book to support you
- Above all you have the Bible to support you
- "You have a manager who stands behind you"
- Above all you have God supporting you
- You have your partner behind you with whom you are evangelising. You not only have these to stand behind you, but also beside you! Yes, beside you! Often is it case that when a sinner repents to God, people will leave the person to their own devices after! That cannot be and will not be allowed in Explosive Evangelism Network. Everyone takes care of each other! Every sinner which is saved gets support, help and education under leadership of Gods Holy Spirit and is stimulated to save other lost souls as well! That is Explosive Evangelism Network!

THE CHRISTIAN IN TRAINING

Yes, in Explosive Evangelism Network the Christian is in training to become a qualified soul winner for God and his fellowship. How? By practical experiences and study! You are learning

while you are serving God. – You learn: to teach, to testify, to take charge, to motivate yourself and others and to get to know the Bible better. To think and speak positively. To use the right evangelism tools, to socialize with people, personal responsibility and self development. Etcetera.

- You learn at your own pace

- You set your own time

- You decide which books you are going to study

- You decide who you will work with

But..... all this is not going to work without prayer! Prayer is the engine!

THE CHRISTIAN AND CRITICISM

Have you ever heard of the word: “ Criticism”? If you don’t say anything, if you don’t do anything, if you don’t accomplish anything, you won’t receive criticism! Say something, Do something, be something and there will always be people who come to you with criticism. Read what is written about that in the Bible. The prophets in the Old Testament received lots of criticism. The Lord Jesus Christ received lots of criticism; the apostles received lots of criticism. The Christians in the New Testament received lots of criticism. That sort of criticism does not only come from the Godless people but also from God-fearing people. Oh, the Bible is full of it! People will say: “Just be yourself, do not overdo it for God. Don’t participate in Explosive Evangelism Network because it is not a

biblical or a Christian way to evangelise. Quit Explosive Evangelism Network or else Jesus Christ isn't number 1 in your life anymore. Go and pray lots but do little. There is something good in that system but....." Oh, the devout Christians will think of anything to try to make you quit but.... what did our Lord Jesus Christ do? Devout Christians said that He commanded demons to go out of people with the commander of those demons (Matthew 12:22-37). Did Jesus quit the ministry? No! Did Peter and John quit their evangelising? (Acts 4:1-31 / 5:17-42) No! And what are you going to do? What will you do when you are bombarded with criticism? Always put Jesus in the centre! Follow Him! Listen to His voice! Close your ears to evil voices who can keep you from Gods will! Go on! And..... your labour will be worth it!

UNITY

The Lord Jesus prayed in the pontifical prayer (John 17): "*Neither pray I for these alone also which shall believe on me through their word that they all may be one as thou father art in me.*" It is Gods holy will that the Christians all will live as one. When we are in heaven with him later on, we will meet saved sinners and there will be no division among the churches. God wants all Christians, reborn children of God, to be cleansed and made sacred by the blood of the Lord Jesus, to

be one! In Explosive Evangelism Network we strive for that unity! For then we are strong in evangelism! That's why Christians will join forces with other Christians in Explosive Evangelism Network!

“For I will not dare to speak of any of those things which Christ hath not wrought by me, to make the Gentiles obedient, by word and deed, Through mighty signs and wonders, by the power of the Spirit of God; so that from Jerusalem, and round about unto Illyricum, I have fully preached the gospel of Christ. Yea, so have I strived to preach the gospel, not where Christ was named, lest I should build upon another man's foundation.”
Romans 15:18-20

Chapter 10

WHEN TO STOP WITH (EXPLOSIVE) EVANGELISM

Maybe you are someone who has tried to testify to your family, to acquaintances or friends, or at work with your colleagues. You think that you're not seeing any result. Maybe you are someone who has happily participated in a Explosive Evangelism Network, but you are disappointed because you don't see any fruits of your labour. You would rather quit. Or maybe you are someone who has a lot of success with evangelism. You participated in a Explosive Evangelism Network with enormous result. Many people have joined you. Many sinners have repented to Jesus. Whatever the case, you may question yourself: "When shall I stop testifying?" Read the following line very carefully, the Bible tells you this: "*Don't get tired of helping others. You will be rewarded when the time is right, if you don't give up.*"(Galatians 6:9) You could stop to testify, stop with evangelism, when you die!! This sounds harsh, but what I mean is this: In a cemetery lay people that can't evangelise any longer! They have had their entire God given time here on earth! But as long as you live on this earth, you can serve God. As long as you're alive, you can continue. You don't know what the future will bring. Therefore it is important to testify today. Today is

your day. Why should you continue with Explosive Evangelism Network and testify?

- 1) The living God has called you.
- 2) God wants all people to be saved.
- 3) Quitting can mean that the blood of sinners is being demanded from your hand.
- 4) As long as there is still one human on this earth who doesn't know Jesus Christ, it is still worth continuing.
- 5) You've set a goal for yourself in the beginning.
- 6) Others will not hear the Gospel if you don't tell it to them.
- 7) You don't want to be with the "losers?" Someone who doesn't do any thing always loses that is why I tell you: Go on. Go on without stress. Go on without overworking yourself. Go on without being strained. Go on without getting a burnout. Go on in a relaxed way. Go on without feeling "I must". Go on in the strength of the Holy Spirit. Go on with faith and love in your heart. Go on as long as it is physically or mentally possible for you to go on. Go on and don't give up!

Chapter 11

IN WICH AREA DO WE EVANGELISE

The Bible says: *“But ye shall receive power, after that the Holy Ghost is coming upon you: and ye shall be witnesses unto me both in Jerusalem and in all Judaea, and in Samaria, and unto the uttermost part of the earth”* (Acts 1:8).

As for the question, where you can start to be a witness for the highest God, I can tell you this from Gods word:

- A. In your own home
- B. In your own family
- C. With your friends
- D. With your acquaintances
- E. To your colleagues
- F. At school to your fellow students
- G. In your own street
- H. In your neighborhood
- I. in your town / city
- J. In your village
- K. In neighbouring neighbourhoods
- L. In neighbouring towns / cities
- M. In the outskirts of towns / cities
- N. In your entire province
- O. In all surrounding provinces
- P. In your country
- Q. In surrounding countries
- R. In overseas countries

S. In countries far, far away
T. In every country on the earth
U. In places you'd rather not go
V. With people who you would rather not deal with

Jesus said: "And ye shall be witnesses unto me both in Jerusalem" (Acts 1). I am reading a few verses back: *"And being assembled together, commanded them that they should depart from Jerusalem but wait for the promise of the Father, which saith He, Ye have heard of me"* (Acts 1:4). The people to whom he was talking had to stay in Jerusalem until they were baptized with the Holy Spirit. And then? Then they would first be witnesses in their own town, their own city: Jerusalem. *Jesus said: "And ye shall be a witness unto me in.....Samaria."* Samaria lay between Judea and Galilee. It was an area where the Jews would rather not go. But the Lord Jesus had already been there before them so that they would go (John 4:1-42; Luke 17:11; 10:25-37). *Jesus said: "And ye shall be witnesses unto me..... till the uttermost of the earth..."* A man who has given a good example is Paul. In the Bible we read about his journey missions. It is good to study these journeys. It is possible to reach every human being on this earth with the truth of the biblical Gospel. How? If every Christian were to do as God has instructed them to do it would be possible!! Explosive Evangelism Network is a fabulous way to be a witness, so start in your own neighbourhood.

Chapter 12

HOW MUCH TIME ARE YOU SPENDING ON EVANGELISM?

The Bible says: *“When I preached in public or taught you in your homes, I did not hold back from telling anything that would help you. I told Jews and Gentiles to turn to God and have faith in our Lord Jesus”* (Acts 20:20, 21).

If you are someone who is already participating in Explosive Evangelism Network than I ask you very personally: “Are you having success?” Maybe you’ll say: “Off course I am”, or: “actually not very much”. Then I ask you: “Do you want to have success?” You’ll answer: “Off course my dear brother! I want to have success otherwise I certainly would not have started this!” Well your answer is right, but I am asking you this question again. Which question? “How much time do you spend on evangelism (Explosive Evangelism Network) ?” Have you ever pondered this question? Oh, I am not asking you this question to put undue pressure on you. I know very well that there are organisations out there in which people are obligated to testify a set amount of hours. But that is not the way God works! The God of the Bible does not obligate but asks for participation voluntarily. My question therefore has nothing to do with obligation. But what I mean is this: The

time that you spent with God, on your spiritual growth, on your fellow human being definitely has something to do with success! The Bible says: “*you will harvest what you plant!*” (Galatians 6:7) If you do not plant any seeds, if you don’t evangelise, if you don’t testify, then the harvest you will receive will be nothing. If you plant only a few seeds, your harvest will be small but if you plant abundantly, your harvest will be abundant! The Bible says “*My dear friends stand firm and don’t be shaken. Always keep busy working for the Lord. You know that everything you do for him is worthwhile.*” (1st Corinthians 15:58. Also read 2nd Corinthians 8:7, 9:8). It is good to keep up your work. With “keep up” I mean: A) don’t take on more than you can handle / do only what you can, do not handle what you can’t. B) keep track on paper, what you do for the Lord!

Chapter 13

HOW TO OVERCOME PROBLEMS

How many times have you seen it happen that when someone is working for the Lord, one or more problems come into his or her life? With every problem you can ask yourself the following questions.

- 1) What is the problem?
- 2) Why is it a problem?
- 3) What is the cause / are the causes?
- 4) What can you do to solve it?
- 5) What are the effects / consequences?

AN EXAMPLE

- 1) What is the problem?
You can't seem to get another Christian to connect to your network.
- 2) Why is it a problem?
You want your network to expand but it isn't.
You want the other Christian to also become a soul winner for the Lord. You want to share your blessings with the other.
- 3) What are the causes?
You haven't read this book carefully enough or perhaps not at all.
You haven't understood this book.

You haven't invited people for a prayer meeting at your home

Your attitude is not right

- You are too negative.
- Your walk of life is going against the Bible

4) What can you do to solve it?

Read this book carefully and study it.

Read this book and get clarification from someone else in the network on whatever you do not understand.

Give your advisor an invitation. Invite more people and repeat this several times.

Improve your attitude.

- Positive thinking, speech and behaviour.
- Conduct yourself according to what God asks from you.

5) What are the consequences?

You are successful. People are joining you.

You see the fruits of your labour.

The Bible says: *"I pray that God will take care of all your needs with the wonderful blessings that come from Christ Jesus!"* (Philippians 4:19). The Bible says: *"Let the Lord lead you and trust him in help!"* (Psalm 37:5).

Say to yourself out loud: "I am Gods child. God is with me. He helps me. He will never leave me. I fear not. I reject all negative thoughts. I have faith in God. The work I do is the best of the best: The saving of the lost. With Christ Jesus I am more than a conqueror."

Chapter 14

DO NOT SLEEP BUT GO

The Bible says in Matthew chapter 25: 1-13: “Then shall the kingdom of heaven be likened unto ten virgins, which took their lamps, and went forth to meet the bridegroom. And five of them were wise, and five were foolish. They that were foolish took their lamps, and took no oil with them: But the wise took oil in their vessels with their lamps. While the bridegroom tarried, they all slumbered and slept. **And at midnight there was a cry made (The Amplified Bible says: “But at midnight there was a shout.”)**, Behold, the bridegroom cometh; go ye out to meet him. Then all those virgins arose, and trimmed their lamps And the foolish said unto the wise, Give us of your oil; for our lamps are gone out. But the wise answered, saying, Not so; lest there be not enough for us and you: but go ye rather to them that sell, and buy for yourselves. And while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut. Afterward came also the other virgins, saying, Lord, Lord, open to us. But he answered and said, Verily I say unto you, I know you not. Watch therefore, for ye know neither the day nor the hour wherein the Son of man cometh.”

I would like to pass the following on to you. In Matthew Chapter 25 I read about the five foolish and five wise virgins, in comparison to the kingdom of heaven, and the second coming of the Lord Jesus Christ. In verse 5 we read: "While the groom stayed out they all became very sleepy and fell asleep" While we're still waiting for the coming of Jesus, many Christians have fallen asleep! They say: "I do not see any indications that the second coming of the Lord is near". Instead of attending prayer meetings they would rather attend social visits. In stead of spreading the Gospel they would rather watch television. They read the Bible less and less. The contact with the Lord becomes weaker. Yes, in this world there is much Pentecostal-smoke instead of Pentecostal fire (see Acts 2). In this Biblical section, (Matthew 25) there was an oil crisis with the five foolish. And so with many Christians, the light of Jesus Christ is fading. Once they shone as light in the darkness, but now... the flame is almost extinguished. It is awful to fall asleep.

Samson, mister world, fell asleep for a short time. He laid his head on the lap of a woman, the enemies came, cut his hair and..... he lost the power of Gods Spirit.

Captain Sissera fell a sleep for a short moment in a tent with a woman. He got a pin through his head

(where we have the helmet of salvation: Ephesians 6:17) and he is still asleep.

Saul fell asleep for a moment and David cut a piece of his cloth (we are dressed with the Cape of justices Ephesians 6).

Saul fell asleep once again and David took his sword away (We have a spiritual words: Ephesians 6).

But whatever the case may be, there was one person who did not fall asleep! There was one person who brought the Gospel of the good news! The Bible says in Matthew chapter 25: "In the middle of the night there was a calling: the Groom, look, go out from Him and meet Him!" At the end of this story I read: "Wakeup for thy do not know nor day nor hour!" It is not time to sleep! It is time to wake up and to stay awake! Now, is the time to wake up! Now, there are numbers of people that still don't know Jesus. Now, there are many people going into eternity without Jesus, Now, there are people waiting to hear from you with the Good news! Now, Jesus has given you the assignment to go! God wants you to serve Him, now! Now, you can work as long as it is day! The question to you is: What do you do?" Tomorrow it can be too late. Tomorrow stays tomorrow if you do not do anything now!!! You do not have a job at the moment? Now you have the opportunity to serve God! Wait no longer! Come and join Gods powerful **Explosive Evangelism Network** ! Christ

Jesus has done so much for us, yes, everything!
Wouldn't you want to give back to him out of love?
I think so. And..... You will be richly blessed!
Praise His Holy, never enough praised Name.

Pray with me:

“O Mighty God and Father. In the gracious name of Jesus Christ I come unto you, together with the one who reads this book and has a desire for Explosive Evangelism Network. We thank You that it is still the time of grace which allows us to bring the Gospel and that my brother / sister can participate in this also. We do not want to doubt but believe, that You will help us to serve You.

Therefore I am asking You for your mercy: At this time, please fill my dear brother / sister with your Holy Spirit. May your divine power and love for the lost souls flow through him / her. Oh Lord, create in him / her an evangelising heart to go out to serve your Holy will. Give renewal and wisdom so that he / she will not speak words of their own but the words that you want to have said. We thank You for Your anointing and gift, which you are placing upon my brother / sister right now. Hallelujah! Amen.”
